

INVITATION TO NEXT LEVEL OF COACHING!!  
BE A HIGHLY QUALIFIED, COMPETENT AND PROFESSIONAL META COACH

# COACHING MASTERY

Batch 7

THE INTERNATIONAL META-COACHING™ SYSTEM

## WHY META-COACH?

- Simple and practical. As Meta Coach, we coach clients via conversation. A conversation that makes clients feel safe and secure, just like any other conversation
- Structured and focused conversation. We have questions format that will enabled every Meta Coach to have a structured and focused conversations.
- Focusing on the heart of mind, transformation from inside out. We facilitate people's development from their strengths within, unleash their potential inside out. In Meta Coaching Systems, we focus to the frame of mind as a driver of mindset and behaviour.
- Complete and competency-based. This training includes 5 Coaching Models and 7 Core Coaching Skills which will be practiced everyday in the training. Every participants will be benchmarked, and can only get full certification if he/she reach the international standard score
- Comprehensive, fast and systematic training.
- With Coaching Lab. Every participants will practice and get measurable feedback directly that make learning effectively.
- Continuous learning. You will receive articles from Dr. L. Michael Hall, Ph.D. every week regularly in Meta-Coach only e-mail list. Always be updated with the latest development and learning improvement.
- Supported by academic theories and practical application:
  - Coaching skills (Advanced) and business strategy.
  - A clearer and more intensive training in NLP Communication Model.
  - The Self-Actualization Psychology of Neuro-Semantics, the latest model that delivers synergy between meaning and work performance significantly. You will be able to facilitate a person to create meaning in life and reaching his/her peak performance.
- Supported by a growing community in coaching. Upon graduation, you will directly join as a member of the International Meta Coach Foundation (MCF). And as a Meta-Coach. You will be supported by an exclusive community. There are more than 1500 Meta-Coaches in 40 countries around the world in the community.

## WHO NEEDS THIS TRAINING?

- Professionals (trainers, consultants, coaches, actors HR) who want to improve their skills and gain a new point of view in terms of human development through a series of conversational, structured and fast techniques.
- Entrepreneur, CEO, leader, manager who wants to develop him/herself or others for sustainable high working performance.

## START YOUR COACHING JOURNEY TO MASTERY, YOUR BUSINESS DREAMS AND LIFE LASTING SUCCESS SKILLS

*"The Meta-Coaching program delivers more useful and practical information per minute/ per dollar spent than any training program I have ever attended – and I have been to a great many of them. This is the best delivered and most useful piece of NLP/NS that I have attended in the last twenty-five years! a brilliant experience."*

**Jim Brush**

Certified Meta-Coach, NS-NLP Trainer,  
California USA.

*"With NS & ACMC I have insight and AHA moment of how my mind and people mind work. Thank you very much you open all new prespective about life about people and about the world, and open possibility of great thing we can achieve and contribute to the world."*

**dr. Muhammad Lutfi Syafile, SpB-KBD**

Certified Meta-Coach,  
Gastro-Enterologic Surgeon at RS Pondok Indah,  
Indonesia

*"The ACMC training has given me the insight how to know people's mind through questioning. This training gives me the understanding how powerful the questions & conversation during the coaching"*

**Hendra Gunawan**

Certified Meta-Coach, NS-NLP Trainer,  
Head of Group IT Audit at MNC Media, Indonesia

*"I have attended many trainings & this was by far the best. I've ever experienced. Even through it's highly challenging & intense, it's one of greatest learning experiences I've ever had & I learn so much more in the past 8 days than last couple of years what a life changing and deeply inspiradional training which not only helps you to become the greatest coach you can be (in the best & highest way) but also awakens your hidden potential leading towards your own self-actualization. it's time to fulfill our dreams now"*

**Jolinde Den Haas**

Certified Meta-Coach,  
Lecturer at Stenden University Bali, Indonesia

*"This training not only impacts skills, it's also shakes up the person – their core identity, meaning and values. The participants are coping up the less of their abilities, they need a bit more attention and guidance"*

**T.S. Murugavel**

Certified Meta-Coach  
S-WRV Meta Coaches Pte Ltd, Singapore

*"This is great training because I can practice my skills and get feedback, that measured the effectiveness!"*

**Nikodemus**

Certified Meta-Coach,  
Training Manager at ACE HARDWARE Indonesia

**L. Michael Hall, Ph.D.**
